WORK EXPERIENCE

BUBBLE: Social + Messaging

Description:

Post pictures and videos and control who can see them. Group messaging. Individual messaging with a private option that makes your messages disappear. See how close your friends are in

real-time. Create a Bubble event so your group can communicate and share pictures and videos. And much more so give Bubble a try today!

After

Description:

After is all about helping to make life easier for the ones left behind. Our simple to use interface makes the transferring of your last wishes, shared memories, feelings, insights, and even regrets shared seamlessly with loved ones. We have made this application on the React-Native platform.

J1512

Description:

J1512 is not a dating platform, it is an application that allows you to connect with like-minded Christians to socialize, flirt, play sports, help others out or expand your network. J1512 allows you to safely search for possible matches at a specific location. Your location is only used to determine your search radius and cannot be seen or access by anyone else. We have made this application on React-Native platform.

Daily Forex

Description:

Stay connected to the Forex market from anywhere with regular updates about major currency pairs (and interesting exotic pairs). Traders at all levels can benefit from free Forex signals and expert technical and fundamental analysis.

APPdate. 9 Seconds to meet

Description:

How can you meet someone in only 9 seconds? Simple. Watch 9 seconds selfie video of potential matches and quickly get a feeling of how they look and sound. Meet local people, find love or simply make new friends. Record your own 9-sec selfie video with cool effects and get many more likes and chats.

Campus Coupons

Description:

Campus Coupons will provide a variety of discounts and deals on your campus! Don't waste your time carrying around old print coupons, just select your campus and instantly have access to all the great deals near you! Show the business what deal you are interested in and immediately save money.
