EDUCATION

Ecologic University from Bucharest – Management Faculty

October 1993 – June 1997 (Romania)

Bachelor's degree in economic science – financial and administrative management

TRAINING

Oracle – SAP Centre –Walldorf / Germany

August 2017 (Oracle Migration Bootcamp)

Migration of large databases using the O2O tool

Using Oracle Enterprise Manager Cloud Control 12c

November 2016 (Oracle University - Romania)

Administration training for OEM Cloud Control 12c

Using Oracle Enterprise Manager Cloud Control 13c

November 2016 (Oracle University - Romania)

Administration training for the new OEM Cloud Control 13c

Oracle Database 12c – Clusterware Administration Ed 1

November 2016 (Oracle University - Romania)

Clusterware installation and administration for Oracle databases 12c

Oracle Database 12c – Performance management and tuning

March 2016 (Oracle University - Romania)

Updated on: June 3, 2024

4

Performance tuning training for Oracle databases 12c

Oracle Linux 7 – System Administration

February 2016 (Oracle University - Romania)

Installation and basic administration for the OEL version 7

Oracle Grid Infrastructure 11g – Manage Clusterware and ASM ed.3

January 2016 (Oracle University - Romania)

- Clusterware installation and administration
- ASM installation and administration

Exadata Database Machine administration workshop ed.3

September 2015 (Oracle University - Romania)

A workshop that explains the main administration tasks for an Exadata machine

Oracle Database 12c – RAC administration ed.1

August 2015 (Oracle University - Romania)

RAC installation and administration training on Oracle 12c version

Oracle Database 11g – Oracle Secure Backup ed.1

June 2015 (Oracle University - Romania)

OSB product installation and administration on Oracle 11g version

Oracle Database 12c – Data Guard administration

May 2015 (Oracle University - Romania)

Data guard installation and administration training on Oracle 12c version

Exam 1Z0-052 - Oracle Database 11g – Oracle Certified Associate

March 2015 (Oracle University - Romania)

Oracle Database Certified Administrator

5

Oracle Database 12c – Backup and recovery workshop

March 2015 (Oracle University - Romania)

Recovery manager workshop product setup and performance on Oracle 12c version

Oracle Database 12c – High availability new features ed.1

January 2015 (Oracle University - Romania)

New high-availability features introduced in Oracle 12c

Exam 1Z0-051 - Oracle Database 11g – SQL Fundamentals

November 2014 (Oracle University - Romania)

Mandatory exam, the first step in the path to OCP certification

Oracle Database 11g – Administration Workshop II

May 2010 (Oracle University - Romania)

Database administration training

Oracle Database 11g – Administration Workshop I

April 2010 (Oracle University - Romania)

Database administration training

Oracle Database 11g – SQL Fundamentals

February 2010 (Oracle University - Romania)

First steps in the Oracle databases world

Microsoft Certified Professional Courses for Windows 2003 Servers

June - October 2007 (ROMSYS - Romania)

Training for the Microsoft Certified System Administrator track

RH300 – RedHat rapid track course

February 2003 (ROMSYM DATA - Romania)

Training for the RedHat engineer certification
