

Belen Lopez Espilman

Junior Software Engineer

SUMMARY

Software Engineer with hands-on experience in the creation and maintenance of web applications, focusing on technologies such as NodeJS, ReactJS, and various database systems. Skilled in full-stack development, they have a strong grasp of both frontend and backend technologies, including the use of JavaScript, TypeScript, and modern frameworks like NestJS, ExpressJS, and Next.JS. Their technical expertise is backed by formal training in Frontend and Backend development from Platzi, ensuring a solid foundation in coding best practices and software design principles. With direct experience as a Freelance Developer and an educator, this engineer not only brings valuable coding skills to the table but also strong communication abilities and the capacity to work collaboratively in multicultural environments.

TECHNICAL SKILLS

Main Technical Skills	Node.js (2 yr.), React (2 yr.), CSS (2 yr.), Tailwind CSS (2 yr.), TypeScript (2 yr.)
Programming Languages	JavaScript, TypeScript (2 yr.)
JavaScript Frameworks	Express, MEAN stack (MongoDB, Express, Angular, Node), NestJS, Next.js, Node.js (2 yr.), React (2 yr.)
JavaScript Libraries and Tools	Vite
Databases & Management Systems / ORM	MongoDB, PostgreSQL
UI Frameworks, Libraries, and Browsers	CSS (2 yr.), HTML (2 yr.), Tailwind CSS (2 yr.)
Version Control	Git, Github Actions
UI/UX/Wireframing	Responsive Design
SDK / API and Integrations	RESTful API
Other Technical Skills	Backend, Front-End Web Development, SQL/NoSQL

WORK EXPERIENCE

Freelance Developer, Node JS, Personal projects

Duration: March 2023 - Present

Summary: Design, planning, creation and maintenance of various web applications from

scratch as a freelance developer.

Responsibilities: Responsible for the end-to-end process of web application development including design, planning, implementation, and maintenance.

Technologies: NodeJS, ReactJS, HTML, CSS, TailwindCSS, JavaScript, NestJS, ExpressJS, TypeScript, Vite.JS, Next.JS, SQL, NoSQL Databases

English Teacher, Educational Department

Duration: March 2018 - January 2024

Summary: Conducted classes focusing on the English language to primary and secondary level students.

Responsibilities: Planning and organization of the curriculum, execution of classes, assessment design and implementation, and development of collaborative, multilingual, and multicultural projects.

EDUCATION

- **Platzi**

Courses in FrontEnd Developer, ReactJS, HTML, CSS, JavaScript, NodeJS, Backend Developer, Object Oriented Programming and API Rest with JavaScript.

January 2023 - Present
