

Michael Lip

Senior Senior Full-Stack Web Developer | Independent Contractor

SUMMARY

Upwork: 46 projects, \$300,000+ earned, 100% Job Success and Top Rated Plus. I run 34+ production websites. Current <https://zovo.one> publishes 84 live Chrome extensions and 60,000+ users; these are owner-published figures. Websites, dashboards, Stripe checkout/subscriptions, API integrations, performance fixes and Chrome extensions are my focus.

TECHNICAL SKILLS

Main Technical Skills	React, Next.js, TypeScript, Node.js
Programming Languages	TypeScript
JavaScript Frameworks	Next.js, Node.js, React

I build websites and web apps with React, Next.js, TypeScript, Node.js, Python, Cloudflare and Stripe. Twelve years of overall professional freelancing. Upwork self-employed consultant, January 2014-present; Zovo founder, June 2022-present; BeLikeNative founder, February 2022-present. These are published month/year dates; technology-specific tenure is not asserted. Portfolio: <https://zovo.one>, <https://belikenative.com> and <https://github.com/theluckystrike>. I seek independent hourly or fixed-scope contracts with written plans, async updates, milestones and acceptance criteria. Actual residence: Da Nang, Vietnam, UTC+7. Standard quote \$65 USD/hour gross before any agreed platform fee; client scope and funding must be agreed before work starts. Languages: English fluent professional working; Polish native. B2 is a conservative estimated profile self-rating based on professional use; no CEFR examination or independent assessment claimed.
