EXPERIENCE

CRM Consultant, IDEAGENCY (Hubspot diamond partner)

January 2024 - Now

- Client needs analysis and scoping: conducting workshops, drafting functional specifications and requirement documents.
- Process optimization: scoping processes and tools based on client inputs, designing data models.
- CRM audits and migrations: performing data quality audits, integrations, migrations, configurations, and CRM setup.

- User training and support: as a CRM expert, training end-users to ensure smooth tool adoption and minimize change resistance.
- Client portfolio management: ensuring customer satisfaction and handling renewals.
- Support for complex pre-sales: contribute as an expert to help the sales team identify advanced opportunities.

Hubspot & Marketing Automation Consultant

September 2020 - November 2024

I've helped a number of companies implement Hubspot and Inbound Marketing strategies. My clients include Elevate, GoTeam, Kassel Studio, Bestoow.

During these 4 years, I have:

- Automated operational processes, increasing efficiency and reducing errors, contributing to an overall improvement in productivity.
- Provided training and onboarding sessions on Hubspot. Developed and implemented a personalized customer journey by integrating Hubspot with tools such as Apollo, Zapier, and Aircall...
- Implemented Hubspot CRM features such as workflows, custom fields, objects, etc...
- Developed an inbound marketing strategy that boosted web traffic, strengthened customer engagement, and developed brand image based on in-depth market analysis.

Marketing et Sales Manager, TRIP CONNEXION

September 2018 - September 2020

Launch and design of a SaaS management, publishing, and CRM platform for tourism professionals:

- Analysing the market and generating new business opportunities
- Carrying out prospecting and developing relationships with customers/prospects
- Presentations and demonstrations of solutions Implementation of inbound marketing strategies and Hubspot CRM to streamline sales, marketing, and customer service success.
- Optimizing website content, landing pages, and SEO to improve search engine rankings, increase traffic and drive conversions.
- Monitoring customer satisfaction and project progress, ensuring customer needs are met and projects are completed on time and within budget.
